What's New:

The latest Current Employment Statistics estimates are now available. The data reflects the preliminary estimates for December 2015 and revised estimates for November.

Program Information:

The nonfarm employment data available on this webpage contains information produced under the guidelines of official Bureau of Labor Statistics methodology. Detailed information about this methodology is available at the website for State and Metro Area Employment, Hours, & Earnings, www.bls.gov/sae/. Detailed information regarding the inherent variance of the Current Employment Statistics (CES) program can be found at www.bls.gov/sae/790stderr.htm. A table of the current month's confidence intervals, which demonstrates the statistical variance inherent in CES produced estimates is available in the chart above, and in the Confidence_i tab of the Statewide report located in the Current CES Data section.
