Definitions and Footnotes

1. **Initial Claim** - An initial claim for UI benefits is filed over the phone or on-line through the Internet. By federal USDOL definition, the initial claim numbers in this table are assumed to be for UI - Regular State Benefits until claim adjudication takes place and a claim is reclassified for another CARES Act program.

2. **Continued Claim** - A continued claim represents the number of claims filed where an individual - after filing an initial claim - is requesting a benefit payment for a specific week. Continued claim counts for Federal Pandemic Unemployment Compensation program and the Lost Wages Assistance programs are not included - both programs provided supplemental income for existing claims already filed. Filing a separate claim was not necessary to receive these funds.
